- ▶ ...for blind and seeing people, Europeans, Leos and Lions

Facts

For the tenth time the Leo-Clubs of Northern Germany organize the "International Leo Youth Camp for Blind People" in summer 2008. Approximately 20 blind as well as partially sighted young adults at the age of 16 to 25 from all over Europe are welcome to join the camp. The camp will be from August 2 till August 16, 2008 in Klingberg near Scharbeutz (at the Baltic Sea) in Schleswig-Holstein. The participants and 12 young people as attendants will live in a youth hostel suited for handicapped people. The language spoken in the camp will be English, for the participants as well as for the attendants.

New experiences: Learning how to skate or exploring the mud flats

Leos of the Leo Clubs from the Northern part of Germany _ Schleswig-Holstein and Hamburg (District 111-N) - are organizing the youth camp. Registered charity was founded to realize this camp. The work of the organisers is honorary.

Our aims

The camp is a place of international understanding together with the integration of handicapped people. All participants will have the opportunity to learn new stuff, to cross borders and to get an impression of Northern Germany and its inhabitants.

At the camp the blind youth are given the possibility to get to know and understand each other by participating in games, discussions and other ventures. The most important aspects of the camp are the contact between partially and normal sighted and the different nationalities.

Financing

The camp will be financed by a small participants fee and sponsoring. The costs sum up to 20.000 Euro.

The costs of arrival and departure are to be paid by the participants as well as a fee of 200 Euro. This fee includes free accommodation, full catering, programme, attendance and transportation during the stay.

Driving blind

In some cases we are able to sponsor participants with limited possibilities to finance the camp (i.e. blind people from Eastern Europe).

The rest of the costs will be financed by sponsors and donors.

If you are interested in the camp, please contact us for more.
